

## Workshop on 'Entrepreneurship Development' held

Published: Thursday, 01 August 2013

The Dhaka Chamber of Commerce and Industry (DCCI) conducted a workshop on entrepreneurship development under the project of "Entrepreneurship Innovation Expo 2013" at the BRAC University in the city on Wednesday, said a press statement.

BRAC University's Centre for Entrepreneurship Development (CED) and Entrepreneurship Development Forum (EDF) jointly organised the programme.

BRAC Business School Dean Prof Dr Golam Mohammad, DCCI acting president Nessar M Khan, General Manager, SME and Special Programmes Department of Bangladesh Bank Sukamal Sinha Choudhury and Director of CED, BRAC University Rezaur Razzaak were present on the occasion.

Prof Golam Mohammad suggested students to convert ideas to involve in innovative business and contribute for the nation.

Nessar M Khan said that people have money, land but they don't know how to invest. He also said that SME is the most priority to Bangladesh Bank.

He explained how DCCI and Bangladesh bank jointly helping the young entrepreneurs.

President of Young Leader Association Sadrul Asrar and Consultant of DBI, DCCI Sayed Maruf Reza Byron gave a presentation for the students.

DCCI is expecting to receive about 40000 ideas/projects from all over the country and out of these, at least 2000 best projects will be selected for demonstration in capital and the owner of the projects will enjoy showcasing themselves in the "Entrepreneur & Innovation Expo 2013", scheduled to be held on November 1-2 at Bangabandhu International Conference Centre.
