BRACU seminar on job market

→ Metro Desk

A seminar titled Innovative Strategies in a Rapidly Changing Environment was held at the auditorium of Brac University in the city on Monday.

The Brac University Business Club (BIZ BEE) has organised the seminar with an aim to provide its students with the idea of existing job market, says a press release.

BRAC University Vice Chancellor Prof Syed Saad Andaleeb, presided over the programme while its Associate Professor Mohammad Rezaur Razzak attended it as special guest.

Rubaba Dowla, chief service officer of Airtel Bangladesh Limited, attended the programme as the key-note speaker, the release added.
