## Seminar on higher education in France at BRACU

BRAC University Career Services Office recently held a discussion session on higher education in France at its sports centre.

Air Cadre (Retd) Ishfaq Ilahi Choudhury, Registrar, BRAC University (BRACU), inaugurated the session which dealt with the opportunities and possibilities of pursuing higher studies in France.

Arnaud Loizeau, Attaché for Culture and Cooperation, Embassy of France in Bangladesh, was the keynote speaker. He focused on the opportunities to higher studies including post graduation and PhD and gave guidelines for building career with some of the French companies across the globe.

He also reflected upon chances of getting financial assistance for the prospective students.
