## Payment

Dear Sir,

With reference to your previous letter Ref No. BRACU-NCP/2019/71A, we are clearly aware of your requirement. However, it is proposed that you deduct the advance payment in future interim payment instead of applying bank guarantee for economical purpose. Furthermore, please be noted that the construction materials that we have purchased with this amount of money have been delivered to the Project with your financial assistance.

Your support will be highly appreciated.

Yours sincerely,

.....
