Industry visit by BRAC University Students

On June 21, 2014 a group of 36 students of BRAC Business School went to visit Matin Spinning at DBL Industrial Park in Gazipur. This study tour was organised for the current students of Production-operation Management course under BBA programme. The visit was guided by the course faculty, Md. Tamzidul Islam from BRAC Business School and a group of executives from DBL. Among them Md. Shamimul Haque, General Manager and Md. Golam Kibria, Assistant General Manager were present on the occasion. The visit aimed to provide the students with hands-on experience and create interest in this sector as a potential career option as it contributes 80 percent of national export.
