Easter fest is basically for Christians they celebrating this day from their religious perspective. This day celebrates worldwide and for kids it’s an amazing day. The Westin Dhaka arranged Easter Carnival at ballroom. The celebrations began at 10 am and continued till 1 pm. The ballroom was ornate with balloons, Easter eggs of various sizes and colors, and of course the famous Easter Bunny was there. Children attended the event, eager to have a fun time while celebrating Easter with their parents. The kids jumped on the bouncy castle, played in the ball pit and rode on the rides. They also took turns playing the Wii console. Parents were able to bond with their children as they played multiplayer games with them like tennis and baseball on the console. Children’s movies were playing on a large projection screen and the kids enjoyed scenes from Ice Age and Hop every now and then. There were stalls offering popcorn and candy floss, and a booth where people could get their faces painted. The first competition of the carnival was the Easter Egg Hunt. Baskets were handed to all of the children and they searched
the ballroom high and low for all the hidden Easter eggs. After a while all the eggs were discovered and children carried baskets filled with colorful eggs to the stage. The winners received prizes such as gift vouchers for the Westin Dhaka. With paint and brushes at hand, the children got a chance to showcase their inner artists by participating in the Egg Painting. All the guests sat down to watch the shows while enjoying sandwiches, cupcakes and other snacks. Magician Arif Asgar left the kids in awe with his acts. He seemed to conjure colorful cloth out of thin air and also made a single coin multiply into many more. He then managed to procure the coins from the kids' ears. Like a classic magic show his act also included a live rabbit. The next item in the carnival was a live music show by the band Sensation. The children danced to the songs and after this, prizes were given out for the Easter Egg Hunt and the Egg Painting.
