‘Avail scopes of varsity scholarships’

Campus corner

Speakers in a view-sharing meeting here today urged the students to avail the scopes of Brac University scholarship and financial aid for their better life. They mentioned that many students in the country have established themselves after getting the scholarships and urged the attending students to attain knowledge on how to obtain the financial aid. Brac University organised the campaign meeting in the hall room of Agrani School and College in the city yesterday where more than 200 higher secondary level students from eight institutions attended. Deputy Commissioner of Rajshahi Mejbah Uddin Chowdhury attended and addressed the discussion as the chief guest with Syeda Sarwat Abed, director of Brac Institute of Language under Brac University, in the chair.

Principal of the college Saiful Haque, Brac District Representative AKM Jahedul Islam, Head of Relationship Management Ismat Shirin, Senior Lecturer Aminul Islam and Dr Afsana Akter also spoke. Chief Guest Mejbah Chowdhury has said the students should be attentive towards attaining knowledge on information and communication technology as there is no alternative to acquire ICT knowledge to face the global challenges of the 21st century. He said the government is committed to building poverty and corruption-free happy, prosperous and Digital Bangladesh by 2021 and students will lead the digitised Bangladesh.
