Subject: Submission of Internship Report

Dear Sir

With a great pleasure, I am submitting the report on the “The Analysis of Financial Performance of Advance Power Electric Company Limited [AMCL]” which has been done as the main part of the requirement of the report under your careful supervision.

While doing my internship, I had the opportunity to meet all employees in the head office. Almost each of the people I came across had been very helpful. Particularly, my supervisor – Shahanara Begum Madam was simply one of a kind.

I would really be grateful if you share your precious thoughts regarding the report. Also, if you wish to have further clarification about any aspect of my report, I would gladly answer your queries with further explanation. Thank you again for your support and patience.

Sincerely

(SHARMIN AKHTER)

ACKNOWLEDGEMENT

Without the help of others, one individual can do no work. In every step of this report, many individuals and institutional experts helped me. It gives us an immense pleasure to acknowledge them with my gratitude

At first I express my deep gratitude and sincere thanks to The Almighty for providing me enough strength to make this report a success. Then I would like to thank my honorable internship instructor “Fairuz Chowdhury” for asking me to prepare this report and for providing me proper guidance to work on this company analysis. It is an opportunity for me to translate into action my academic educations and skills and prove my worth in the preparation of the report confidently. I gathered a lot of knowledge and information and practical experience while working on it. My heartiest gratitude to my instructor for her valuable advice and time that she gave me, which helped me complete this company analysis.

I am very grateful to my supervisor -Shahanara Begum madam , the senior executive(Accounts& Finance dept.) of Advance Power Electric Company Limited, under whom I completed my internship program and all the employees of AMCL, for their hearty co-operation in the learning process about Advance Power Electric Company Limited. I would convey my thanks to all the employees for their beloved manners and attitudes shown to me during the program.

Last of all I would like to express my thanks to the authors, researchers, article writers whose books and articles I consulted and friends who helped me in every stage of the report by providing valuable information and suggestion in respect of preparing this report.

EXECUTIVE SUMMARY

Electricity plays a vital role in underpinning the economic development of a country.

In the backdrop of Financial Sector Reform Policy streamlining the country's economy Advance Power Electric Company Limited has achieved great success in all areas of operations with ultimate objective of improving the socio-economic development of the country.

In this project I have talked about the financial performance of this independent power producing company. The background of the company, how it was established and where it stands now etc. information are given elaborately. After that, my working experience in AMCL is included, a brief history of the last 3 months' working experience. In the main project part, firstly I talked about the procedures, the methods and limitations that I had to face during making this report, and then I have worked and analyzed how well they are performing, through calculating growth rates, some important financial ratios and trends of the last 5 years. Lastly I have added some recommendation based on the findings which I think might be useful if they can implement those ideas.
