APPENDIX

REFERENCE
FINDINGS

For quite sometimes NRB global bank is facing problems and challenges regarding desired candidates. Bank is providing great effort like attractive salary and incentives. Still bank is facing some problems and challenges which is pointed below.

- NRBGB employers are facing problems regarding qualified candidates. A huge number of graduates and post graduates are passing each and every year still low supply of qualified candidates are occurred. On the other hand those minor candidates who are talented but they are not joining the banks rather they go to the multinational companies like Grameen phone or go abroad for better living standard. For these points NRB global bank is not getting their qualified applicant.
- The recruitment and selection process cost is very expensive and time consuming. Due to budget constraints NRB global bank recruit specialist fails to enroll or appoint qualified candidates.
- NRBGB has an issue with the employee turnover. The turnover ratio is 5.08% of NRB global bank and this ration is very consistent. The recruitment and selection procedure is hugely expensive. It’s a huge problem for any organization to recruit spontaneously. It is also very time consuming.
- The software bank uses sometimes lags.
- There is no training facility still now in NRB Global bank limited.
- After one year period the salary increment rate is 2.5%
- Normally the Provation period is 1 year duration. Sometimes it takes about 2 years. So the promotion period takes time.
- The supporting stuff in NRB Global Bank limited uttara branch is very low than usual.
- The salary package is not that attractive.
- Each and every branches of NRB Global bank is very lucrative.
RECOMMENDATION

1. NRBGB is facing problems regarding new talents and capable employees, so the bank must ensure one thing that is the working environment suiting for the new talents or not. Working environment is very important fact for new generation talents. Making sure the environment is suiting is the foremost duty for NRBGB.

2. Qualified employees does not mean he/she has done exciding well is his/hers academic life. NRBGB must ensure that every one can apply for any job vacancy.

3. Every organization has done well where the managements has blended with the employees. So the managements must be friendly type, so then employees can come to him/her regarding any professional problems at any moments.

4. NRBGB uses Temenos 24 software for clearing checks, the software needs to be updates as the software lags during work hour.

5. As a fourth generation bank NRBGB must go the roots to gather new talents, like universities. Must organize career path seminar to encourage student towards their company.

6. Salary increment rate should be increased

7. The probation period needs to be maintained.

8. The salary package needs to be more attractive.
CONCLUSION

NRB Global Bank Limited is a fourth generation bank with all the latest technology which is blended with the bank. The bank's aim is to satisfy the client in every way possible. It takes a lot to be a recognized brand, in which NRB Global Bank is doing quite good. It near future this bank will be in the top ranked bank in Bangladesh.

NRB Global bank employees are very communicative and helpful. They helped me in every way possible to provide me all the information regarding this internship report.

In this bank the employees are not that much motivated on the basis of the remuneration package the bank offers, due to that the turn over ration is 5.08%, the bank should take a step forward to resolve these manner as soon as possible. Here, all the employees are very much cooperative with their customers, colleagues and visitors. To sum up, I want to say that I am very lucky to join here as an internee because I always got the support and motivation to assemble knowledge from NRB Global Bank.
NRB Global Bank Limited formally opens its Anwara Branch at Chittagong on November 16, 2014. Mr. Mohammad Hanif Chowdhury, honorable Vice Chairman of the bank has inaugurated the operation of the branch as chief guest.
