* A total of 20 RDP Areas has been transferred to RCP on January 1, 1994. As a result, all base figures published in Dec. '93 have been reorganised.

^{a/} A total of 17,262 members dropped out during the reporting period. These are excluded from the March figures.

^{b/} Savings refunded to the dropped out and retired members stood at Tk. 13.20 million during the reporting period.

^{c/} This figure is little higher (by 4.12 million) than the one published in Annual Reports of 1993. This is due to updating and correcting those figures. This has also effected gender and sectoral distribution of statistics (all but housing).

^{d/} Excluding housing loan.

^{e/} The target of housing loan amounting Tk. 32 million is included in the figure.
