BRACU Debate Club organises “BRAC Genders 2018”

BRAC University Debate Club (BUDC) organised the 3rd edition of their flagship event, “BRAC Genders” from July 13-14, 2018. The two-day event saw 28 teams from different schools, colleges and universities participate in the open tournament that followed the British Parliamentary format.

With the tagline, “Thoughts have no gender”, the tournament focused on the participation of female debaters and to develop their skills. Keeping this in mind, the organisers made it compulsory for the participating teams to have at least one female member.

Day 1 saw the tournament progress up to Round 4. On day 2, the pre-semis and semis of the tournament were conducted throughout the day followed by the grand finale. Rayaan Ibtesham Chowdhury and Adiba Arif from Institute of Business Administration (IBA, DU) were the winning team with Sourodip Paul, also from IBA, DU, announced as the Best Adjudicator of the tournament. Prizes were then distributed among the victorious debaters followed by dinner.
