

OpenStack celebrates 9th Anniversary at BRAC University

On the occasion of OpenStack's 9th birthday, OpenStack Bangladesh organised a workshop on OpenStack Cloud at CSE Research Lab at BRAC University, Dhaka. Chief Guest of the workshop was the chairman of the Computer Science and Engineering Department of BRAC University Professor Dr. Md. Abdul Muttalib. The workshop was conducted by Mobarak Hossain, Group organiser of OpenStack Bangladesh & CEO of PLEXUS CLOUD LTD. The workshop was attended by senior IT executives from various corporate and multinational companies & CSE students of BRAC University.
