

Orientation held at BRAC University

Pro-VC Dr. Salehuddin Ahmed

BRAC University organised Fresher's Orientation on the 20th of August 2006 for the students enrolled in Fall 2006. The program was divided into two parts, Day 1 at the BRAC Center Inn and Day 2 at the BU Campus, TARC Savar. The event was arranged in a festive mood, with faculty members, current students and BU alumnus all coming together to make the occasion a success.

Day 1 was at the BRAC Center Inn, near the BU Mohakhali campus. Pro-VC Dr. Salehuddin Ahmed delivered a welcome speech to the newcomers. Faculty members as well as students spoke on the things to expect from BRAC University, and the responsibilities that the students must be willing to take on in order to forge an effective work environment. The first session ended with a brief on the second day's program. Students were then taken for a tour of their respective departments and the BU library. This was followed by a brief by their respective chairpersons.

Day 2 was at the TARC Savar Campus. Transport was arranged for the students by BU authorities. Upon getting there, the students attended further briefing sessions on how to perform well in university, how to register for courses or find relevant information and the BU scholarship policy, among other things. Lunch and a cultural program in honour of the freshers followed this. The session ended at 15:00 PM, and students departed from the Savar campus for Dhaka by 15:05 PM. As an effort to familiarize the students with the co-curricular activities in BU, a club fair was organized on the 14th of September 2006.
