

BRAC University Commemorates the August 15 Tragedy

Y&Idesk

BRAC University recently commemorated and arranged a talk on the life and contribution of the father of the nation, Bangabandhu Sheikh Mujibur Rahman at its premises. The programme was chaired by Professor Mofiz Uddin Ahmed from the Department of Mathematics and Natural Sciences. It was attended by Dr. Syed Saad Andaleeb, the Vice Chancellor of BRAC University, Muhammad Sahool Afzal, the registrar of BRAC University, Professor Syed M Hashemi, chairperson of the Department of Economics and Social Sciences, Dr. Tureen Afroz, associate professor of BRAC School of Law along with a good number of faculty and staffs.

The event began with one minute silence as a symbol of respect to the deceased souls. Then, Dr. Tureen Afroz discussed the four pillars in the constitution and their stage of implementation. Muhammad Sahool Afzal shared his personal experiences with Bangabandhu Sheikh Mujibur Rahman. Professor Hashemi recognised the dream of Bangabandhu Sheikh Mujibur Rahman to build a prosperous and successful nation. Dr. Syed Saad Andaleeb also shared his fond memories and requested the faculty members to conduct research on Bangabandhu, the greatest legend of our country. Arif and Mahiuddin from staff also participated in the discussion. Finally, Professor Mofiz Uddin Ahmed summed up and gave an overview of the discussion.
