## **Universal Health Coverage Day celebrated**

The Centre of Excellence for Universal Health Coverage (CoE-UHC) at the James P Grant School of Public Health (JPGSPH) of BRAC University celebrated the second Universal Health Coverage Day on Saturday. A rally was organised to celebrate the day on this year's theme "Health for All: Right. Smart. Overdue". Participants carried placards bearing slogans which reflected this theme, including "Health for All is a right, not a privilege", "Universal Health Coverage - every person, everywhere, has access to quality healthcare without financial hardship", and "No one should go bankrupt when they get sick", according to a press release.
