Chess match at BRAC University

A rapid chess match between the faculty members and the students was held at the BRAC University auditorium on Thursday. The match served as a symbolic representation of the friendly teacher-student relationship at BRAC University. It was also arranged as a part of BRAC University Chess Club's regular activities to promote chess around the campus to increase students' analytical skills and cognitive abilities.

Vice Chancellor of the university, Prof Syed Saad Andaleeb inaugurated the event and graced the occasion as chief guest. Director of BRAC Institute of Languages Syeda Sarwat Abed and Grandmaster Reefat Bin Sattar were present as special guests. BRACU Vice Chancellor appreciated the initiative and congratulated the organizers on arranging the event. He assured that BRACU will support anything that is exciting and enhances quality. He emphasized on having a vision and expected to see Bangladeshi chess players to bring success in World Championship in near future.

Director of Institutional Effectiveness Professor Ansar Ahmed led the faculty team. The other team members of the faculty team were the coordinator of MA in TESOL Program Prof Sayeedur Rahman; instructor of chess activity of Savar Residential Semester Almasur Rahman; and lecturer of BRAC Institute of Languages Md Shams Ud Duha. Shihab Shariar from BRAC Business School led the student team. The other team members of the student team were Bukenya Henry from Electrical and Communication Engineering (ECE), Mohammad Shakil from Electrical and Electronic Engineering and (EEE) and Galib Ashraf from Computer Science and Engineering (CSE). The game ended in a draw.
