**Master of Science (MSc.) in Early Childhood Development**

30.04.2014

## Ethical Approval Form

Date: 7.9.2013

Student name: Md. Mahfuzur Rahman Jewel

Title of Thesis Topic: Teachers' perceptions about child-friendly and interactive teaching- learning in early primary grades of Government Primary Schools (GPS)

1. Source of population

2. Does the study involve (yes or no)?

- Physical risk to the subjects
- Social risk
- Psychological risk to subjects
- Discomfort to subjects
- Invasion of privacy

3. Will subjects be clearly informed about (yes or no)?

- Nature and purpose of the study
- Procedures to be followed
- Physical risk
- Sensitive questions
- Benefits to be derived

- Right to refuse to participate or to withdraw from the study
- Confidential handling of data
- Compensation and/or treatment where there are risks or privacy is involved

4. Will Signed verbal consent form be required (yes or no)?

- From study participants
- From parents or guardian
- Will precautions be taken to protect anonymity of subjects

5. Check documents being submitted herewith to Committee:

- Proposal ✓
- Consent Form ✓
- Questionnaire or interview schedule ✓

## ETHICAL REVIEW COMMITTEE

### Research Authorization

Title: Teachers' perceptions about child-friendly and interactive teaching-learning in early primary grades of Government Primary Schools (GPS)

The Research Checklist indicates:

- Approved without amendments
- Approved with advice to research
- Not Approved. Resubmission is required

Authorized by: 

Name: ERUM MARIAM, Ph.D

Position in Ethical Review Committee:

chair/co-chair/other
